9-15-2009 Plea of guilty and adjudged guilty to two counts
3. Are you currently in prison for this sentence?
XX Yes No
4. If so, when is your projected date of release?
January 30, 2017
5. Some programs offered by the Bureau of Prisons (BOP), can reduce the length of time you would spend in custody. An example of one of these programs is completion of the Residential Drug Abuse Program. Are you participating in one of these programs and, if so, when will you complete the program?
May 8, 2015. I am not eligible for any time off for the RDAP
6. Are you currently on supervised release? Yes XX No
7. Are you currently in prison because you violated your supervised release ?
 Yes XX No
8. Is your case currently on appeal? Yes XX No
9. Offense(s) for which you were convicted (all counts):
21:841(A)91)&(B)(1)(B) PWITD A CONTROLLED SUBSTANCE
18:924(C) POSSESSION OF A FIREARM IN FURTHERANCE

10. Did your offense of conviction involve manufacture, distribution, dispensing, or possession with intent to manufacture, distribute, or dispense, a controlled substance?

XX Yes No Don't know

11. In calculating the applicable sentencing guideline range, did the Court refer to the offense levels for controlled substances found in the drug quantity table of section 2D1.1(c) of the United States Sentencing Guidelines?

 Yes No XX Don't know

12. Was your sentence based on an agreement with the Government for a specific sentence?

 Yes XX No Don't know

13. List any good conduct that occurred after your original sentencing hearing that you would like the Court to know in deciding whether you should receive a sentence reduction (for example, participating in a drug treatment program, or completing your GED or another degree).

I have included my progress report with my transcripts of the courses that I have taken while I have been in prison. I would like the court to know that since my incarceration I have tried

hard to be a model inmate and be productive. I started my sentence at a medium security prison in Victorville Med. 2 and through good behavior and program participation I was able to transition from a medium, then to a low, and now I am at a minimum security

camp with community custody. I have been on a furlough transfer from Elkton, OH. I have been on community work details for the

USDA at Ft. Reno in El Reno, OK. I am also participating in the RDAP program here in Pekin as a way to put my best foot forward for when I finish my sentence. I am doing so without the incentive of getting up to one year off because I am not eligible due to my

924(C) firearms conviction. I will be completing that program on May 8, 2015. In short I would like the court to know that I have

prepared for my release since the day I came to prison. I did get an incident report when I had a mattress that had been altered to hold more foam than the original. I was sanctioned with a loss of my email for 30 days. That was my first and only time in any sort

trouble in over five and a half years since I came to prison. I am committed being a better man then when I came to prison and putting this behind me and moving forward with my life and never letting anything like this experience happen again. Now that I have learned so much from the RDAP program it is easy for me to see the errors of my old criminal thinking. I am learning new tools everyday that will help me going forward. I thank God that my journey is nearing the end and I pray and humbly ask for this reduction in my sentence so I can get back to my family. Page | 3

I pray that the Court grant me relief to which I may be entitled in this proceeding.

Respectfully submitted this 12th day of November, 2014.
